

Homer & Wright Survey. sec. 16 T. 8 N.R. / W. Nov. 22<sup>nd</sup>

Nov. 22. 1887. Charley Homer, Perry Wright, John Stepp  
Mrs Mary Johnson and Henry Rhorer having consented  
to waive process of Notice. I began following described  
Survey. Henry Rhorer did not sign agreement but gave consent  
by word of mouth to me in person as sworn statement of  
Grant Wright as given below indicates. Said Grant Wright  
having been duly sworn testified that he "heard said Henry  
Rhorer give his free and willing consent that survey should  
proceed with out process of Notice."

I began survey by qualifying Chas. Homer and Perry  
Wright as chain bearers and Wm. Johnson as flag bearer.  
I began at center of sec. 15 T. 8 N.R. ran. W. 120 ch. Then began  
at S-W<sup>n</sup> cor. of sec. 16 ran N. two miles corrected back and located  
W.  $\frac{1}{2}$  m. p. of said sec. 16 thus recuring discrepancy of first random. two  
run. I then adjourned survey until Thurs. Dec. 8. Recommened at  
said time qualified John R. Morgan as flag bearer in place  
of Wm. Johnson. Began at S-S cor. of said sec. 16 ran. N  
80 ch. <sup>to S-S cor.</sup> thus locating S.  $\frac{1}{2}$  m. p. of said sec. 16 securing a starting  
point for first random line run as the  $\frac{1}{2}$  m. run in sec. 15  
was run simply by request of some parties in vicinity.  
From. notes secured at S. and W.  $\frac{1}{2}$  m. p. of sec. 16 I located and  
established "A" a point on first random line run 56 poles W.  
of S.  $\frac{1}{2}$  m. p. ran then S. 160 poles. planted stake. Then ran  
from S-S cor. of sec. 16 to S-W<sup>n</sup> cor. of said sec. found corner estab-  
lished at  $\frac{1}{2}$  distance W. of said S-S cor. to be N. of true sec.  
line 20 l and west of proper place 15 l. but it being on  
record properly witnessed I was compelled to recognize the  
line from it to S-S cor. of sec. as the legal line between land  
owners on opposite sides of said sec. line therefore I planted  
stone properly witnessed at point 55 poles from said S-S cor. of

sec. on said incorrect line  
~~SW-8~~ S-S cor. of sec. 16 A { 55 poles W. of S.  $\frac{1}{2}$  m. p. of sec. 16 T. 8 N.R. 1 W

B. - Walnut 15-N 55-8 66 l.  
" 4 3 54 W. 32 l.  
C { S. cor. of sec. 16 estab. from old wit. tree stone planted with stone  
Planted besides of it.  
Ash N. 78 & 200  $\frac{1}{2}$  l.

When I found old grn. stone at S-W<sup>n</sup> cor. of sec. below ground  
at least two feet by directions previously given by Aaron Gordon

I took sworn statement of said Gordon that stone found was same as one  
recognized by himself and father Samuel Gordon as true corner for 2<sup>nd</sup> year  
I planted it by taking new stone by original stnd. Soc. 8. 168 8 52  $\frac{1}{2}$  l.  
I hereby certify above record true.

Witness my hand and seal Andrew G. Dillman M.C.S.
